

# Reception Curriculum 2023-2024

"At Pinewood, we aim to 'Make Learning Irresistible'. This runs through everything we do, from lessons, our learning environment both indoors and outdoors to visits and visitors. Our school is an amazing place to be and the staff and children are all very proud to be part of the Pinewood Pride!

Children feel valued and loved in school and staff pride themselves on building strong relationships with both parents/carers and children. We teach literacy and maths to a high standard and children make excellent progress throughout the EYFS. We treat every child as an individual and are committed to the development of the 'whole child'. We want children to enter KS1 happy, self-assured, independent learners with a thirst to learn and the confidence to know that they can do anything they want to do and that we will support them on their journey

The EYFS Team at Pinewood

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
GENERAL THEMES	Magical Me!	Fantastic Festivals!	Transport Yourself in!	Come Outside!	Amazing Animals!	Splish Splash Splosh!
COEL  OVER ARCHING PRINCIPLES	<p style="text-align: center;"><b>Characteristics of Effective Learning</b></p> <p><b>Playing and exploring:</b> - Children investigate and experience things, and 'have a go'. Children who actively participate in their own play develop a larger store of information and experiences to draw on which positively supports their learning</p> <p><b>Active learning:</b> - Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self-regulating, lifelong learners they are required to take ownership, accept challenges and learn persistence.</p> <p><b>Creating and thinking critically:</b> - Children develop their own ideas and make links between these ideas. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.</p>					
	<p><b>Unique Child:</b> Every child is unique and has the potential to be resilient, capable, confident and self-assured.</p> <p><b>Positive Relationships:</b> Children flourish with warm, strong &amp; positive partnerships between all staff and parents/carers. This promotes independence across the EYFS curriculum. Children and practitioners are NOT alone – embrace each community.</p> <p><b>Enabling environments:</b> Children learn and develop well in safe and secure environments where routines are established and where adults respond to their individual needs and passions and help them to build upon their learning over time.</p> <p><b>Learning and Development:</b> Children develop and learn at different rates (not in different ways as it stated 2017). We must be aware of children who need greater support than others.</p> <p><i>PLAY: Pinewood, we understand that children learn best when they are absorbed, interested and active. We understand that active learning involves other children, adults, objects, ideas, stimuli and events that aim to engage and involve children for sustained periods. We believe that Early Years education should be as practical as possible and therefore, we are proud that our EYFS setting has an underlying ethos of 'Learning through play. PLAY is essential for children's development across all areas. Play builds on children's confidence as they learn to explore, to relate to others around them and develop relationships, set their own goals and solve problems. Children learn by leading their own play and by taking part in play which is guided by adults.' EYFS Team</i></p> <p style="text-align: center;"><b><i>We will ensure that all children learn and develop well and are kept healthy and safe at ALL times.</i></b></p>					

**Together We Grow Children  
The Roots to Grow And The Wings to Fly**

We are a school that provides an excellent learning environment for all students and staff to achieve their full potential.

BRITISH VALUES SHARING CIRCLES	<p><b>Mutual respect</b> We are all unique. We respect differences between different people and their beliefs in our community, in this country and all around the world. All cultures are learned , respected, and celebrated.</p>	<p><b>Mutual Tolerance</b> Everyone is valued, all cultures are celebrated and we all share and respect the opinions of others. Mutual tolerance of those with different faiths and beliefs and for those without faith. Done through celebrations</p>	<p><b>Rule of law</b> We all know that we have rules at school that we must follow. We know who to talk to if we do not feel safe. We know right from wrong. We recognise that we are accountable for our actions. We must work together as a team when it is necessary. Class rules</p>	<p><b>Individual liberty</b> We all have the right to have our own views. We are all respected as individuals. We feel safe to have a go at new activities. We understand and celebrate the fact that everyone is different.</p>	<p><b>Democracy</b> We all have the right to be listened to. We respect everyone and we value their different ideas and opinions. We have the opportunity to play with who we want to play with. We listen with intrigue and value and respect the opinions of others.</p>	<p><b>Recap all British Values</b> Fundamental British Values underpin what it is to be a citizen in a modern and diverse Great Britain valuing our community and celebrating diversity of the UK. Fundamental British Values are not exclusive to being British and are shared by other democratic countries.</p>

# Diversity Texts to be read throughout the year during story time sessions (F1 & F2)

BAME main characters	Cultural Diversity	Neurodiversity	Physical Disabilities	Different Families
So much Shine Astro Girl Lulu's first day Baby goes to market Mommy saying Full, full full of love 15 things not to do with a puppy Jabari jumps Izzy gizmo Little people big dreams books	The big book of families Maisie's scrapbook Hats of faith The jasmine sneeze Golden domes and silver lanterns	We're all wonders Perfectly Norman Incredible you I see things differently Mr Gorski I think I have the wiggle fidgets Because What makes me a me? The unbudgable curmudgeon	Its ok to be different When Charlie met emma Only one you Don't call me special Happy to be me Millie gets her super ears	My pirate mums Mt two grandads The girl with two dads We are family More people to love me Our class is a family Love makes a family Heather has two mummies

# Reception Curriculum Plan 2023-2024

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
General Themes	Magical Me!	Fantastic Festivals!	Transport Yourself In!	Come Outside!	Amazing Animals!	Splish, Splash, Splosh!
<b>Communication and Language</b> Talk to parents about what language they speak at home, try and learn a few key words and celebrate multilingualism in our setting.	The development of children's spoken language underpins all seven areas of learning and development. Children's <b>back-and-forth interactions</b> from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a <b>language-rich environment</b> is crucial. By commenting on what children are interested in or doing, and echoing back what they say with <b>new vocabulary added</b> , practitioners will build children's language effectively. <b>Reading frequently to children</b> , and <b>engaging them actively in stories</b> , non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and <b>embed new words in a range of contexts</b> , will give children the opportunity to thrive. Through <b>conversation, story-telling and role play</b> , where children <b>share their ideas</b> with support and <b>modelling</b> from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a <b>rich range of vocabulary and language structures</b> .					
Whole EYFS Focus – C&L is developed throughout the year through high quality interactions, daily group discussions, sharing circles, PSHE times, stories, singing, speech and language interventions, Pie Corbett T4W actions, EYFS productions, Word Aware interventions.  <b>Daily story time using high quality texts (from the EYFS brilliant reads list)</b>	<b>Welcome to EYFS</b> Settling in activities Making friends Children talking about experiences that are familiar to them What are your passions / goals / dreams? About family routines and special occasions Show an interest in the lives of other people Follow instructions (settling in, putting my things away) Develop vocabulary: Word aware Model talk routines through the day. For example, arriving in school: "Good morning, how are you?")	<b>Tell me a story!</b> Develop vocabulary: Word aware Wellcomm interventions Discovering Passions Tell me a story - retelling stories: talk for writing Story language Listening and responding to stories Remember key points from a story Following instructions Takes part in discussion Understand how to listen carefully and why listening is important. Choose books that will develop their vocabulary Discuss familiar celebrations	<b>Tell me why!</b> Develop vocabulary: Word aware Wellcomm intervention Ask's how and why questions... Retell a story with story language Story invention – talk it! Ask questions to find out more and to check they understand what has been said to them. Describe events (Chinese New Year) Listen to and talk about stories to build familiarity and understanding. Learn rhymes, poems and songs Talk about similarities and differences between things in the past and now (transport)	<b>Explain to me!</b> Wellcomm intervention Word Aware: explore vocab Reciting poems and songs Tell me a story - retelling stories: talk for writing Articulate a chick life cycle Listen to and engage in and talk about selected non-fiction Articulate my ideas and thoughts into well-formed sentences Ask questions to find out more  recount an experience	<b>Rhyme time!</b> Wellcomm intervention Word Aware: Explore Vocab Learn and recite, poems and songs Rhyme/rhyming sentences I can continue a rhyming string Re-tell a story/fairytale Describe events in some detail: frog life cycle, caterpillar life cycle	<b>Tell me about differences?</b> Wellcomm intervention Word Aware: Explore Vocab Talk about the experiences I have had at different points in the school year (end of year video) Articulate how we can look after our planet

# Reception Curriculum Plan 2023-2024

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
General Themes	Magical Me	Fantastic Festivals!	Transport Yourself In!	Come Outside	Amazing Animals!	Splish, Splash, Splosh!
Personal, Social and Emotional Development	Children's personal, social and emotional development (PSED) is <b>crucial for children to lead healthy and happy lives</b> , and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that <b>shape their social world</b> . Strong, warm and supportive relationships with adults enable children to learn how to <b>understand their own feelings and those of others</b> . Children should be supported to <b>manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist</b> and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn <b>how to look after their bodies, including healthy eating</b> , and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which <b>children can achieve at school and in later life</b> .					
Managing Self  Self regulation  Making relationships	<u><b>SCARF: Me and My Relationships</b></u> Me and My Relationships -All about me -What makes me special - Me and my special people -Who can help me? -My feelings  Oral hygiene: teeth cleaning linked to the dental nurse Handwashing Class rules: Behavioural expectations in the class/boundaries set Class rules	<u><b>SCARF: Valuing Difference</b></u> I'm special, you're special -Same and different/families and homes -I am caring -I am a friend  I know what it means to be respectful and to be treated with respect Independence: putting own socks and shoes on	<u><b>SCARF: Keeping safe</b></u> What's safe to go onto/into my body including medicines -safe indoors and outdoors -Listening to my feelings -Keeping safe online -People who help to keep me safe  SMART rules	<u><b>SCARF: Rights and respect</b></u> Looking after my special people and my friends Being helpful at home and caring for our classroom -Caring for our world -Looking after money  Caring for animals/ducklings/frogs	<u><b>SCARF: Being my best</b></u> Bouncing back when things go wrong Yes I can -Healthy eating My healthy mind Move your body -A good nights sleep  Importance of exercise Being kind to living creatures Taking care of animals (frogs/butterflies)	<u><b>SCARF: Growing and changing</b></u> seasons - Life stages plants, animals, humans Human life stage, who will I be? Where do babies come from? Getting bigger Me and my body, girls and boys  Transition into Year 1 Year 1 readiness
	<b>Ongoing:</b> Know how to tolerate delay when my needs are not immediately met and understand they may not always be met. Know how to wait for an adult's attention if they are talking to another child Show sensitivity to their own and to others' needs. Work and play cooperatively and take turns with others know how to initiate play, offering cues to my friends to join me Know how to start conversations and take account of what others say Know I can take steps to resolve conflict eg: finding a compromise without adult support Know how to build constructive and respectful relationships Know the boundaries set and of behavioural expectations in the class Know that having responsibilities can be enjoyable e.g. carrying out out small tasks Know that praise for what I have done is a positive thing Know that an adult should be present when on the internet Manage my own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices Know it is important to remember my manners Know how to make my own needs, wants, interests and opinions known to others in an acceptable way Know how to put my own coat and jumper on even if the sleeves are inside out Know how to put on my own socks and shoes on					

# Reception Curriculum Plan 2023-2024

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
General Themes	Magical Me	Fantastic Festivals!	Transport Yourself In!	Come Outside	Amazing Animals!	Splish, Splash, Splosh!
<b>Managing Self</b>  <b>Self regulation</b>  <b>Making relationships</b>	<p>Know some different feelings and can think of a way of dealing with 'not so good' feelings (self-regulation)</p> <p>Know that my own actions affect other people</p> <p>Know I can express my feelings and consider the feelings of others</p> <p>I can say different feelings that I have and how my body behaves when I have them.</p> <p>Know some classroom rules.</p> <p>I know who to go to if I am upset</p> <p>Know how to hand wash and can articulate why this is</p>	<p>Know that all families are not the same</p> <p>Know how people are different and are respectful of this</p> <p>Know others may have differing needs and can accept the needs of others and I can take turns and share resources, sometimes with support</p> <p>Know my choices may impact others</p> <p>Know what I am good at and how to communicate this to others</p>	<p>Know and understand why adults should help to keep us safe</p> <p>Know what to do if worried and scared</p> <p>Know how to look after myself</p> <p>I can tell you how medicines can help a person.</p> <p>I can identify an adult who I can talk to, either at home or at school, if I need help.</p>	<p>Know what makes a good friend</p> <p>Know how to think about the perspectives of others</p> <p>Know how to say positive things about my friends</p> <p>Know what it means to be respectful and to be treated with respect</p>	<p>Know what my body needs to keep healthy including oral hygiene.</p> <p>Know some healthy foods and know the importance of making healthy food choices</p> <p>know the importance of regular exercise</p> <p>Know when and why we have bedtime</p> <p>Know what I can do to help myself when I find something difficult</p> <p>Know my value as an individual</p> <p>Show resilience and perseverance in the face of challenge</p>	<p>Know how to look after the environment</p> <p>Know that some things are private on our own body</p> <p>Know the names of some body parts which are inside my body and some which are outside.</p>
	In F2, independence is further encouraged and expectations of making feelings known are deepened. The concept of Super Cat learners is introduced to the children along with the learning pit and positive learning behaviours.

# Reception Curriculum Plan 2023-2024

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
General Themes	Magical Me!	Fantastic Festivals!	Transport Yourself In!	Come Outside!	Amazing Animals!	Splish, Splash, Splosh!
<b>Physical development</b> <b>Fine motor</b> Continuously check the process of children's handwriting (pencil grip and letter formation, including directionality). Provide extra help and guidance when needed.  <b>Daily opportunities for Fine Motor Activities</b>  <b>Gross motor</b> <b>Weekly Next Level Sport Coach Session</b>	Physical activity is <b>vital</b> in children's all-round development, enabling them to <b>pursue happy, healthy and active lives</b> . Gross and fine motor experiences develop incrementally throughout early childhood, starting with <b>sensory explorations</b> and the development of a <b>child's strength, co-ordination and positional awareness</b> through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their <b>core strength, stability, balance, spatial awareness</b> , co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional well-being. <b>Fine motor control and precision helps with hand-eye co-ordination</b> , which is later linked to <b>early literacy</b> . Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop <b>proficiency, control and confidence</b> .					
	I am working within 4-6 years of the pencil grip and control progression I can show a preference for a dominant hand. Develop their small motor skills so that they can use a range of tools competently, safely and confidently. EG: pencils for drawing and writing, paintbrushes, scissors, knives, forks and spoons. I can cut a shape out using scissors I have developed the foundations of handwriting with most letters formed correctly I can do up my own zip I can take off and put on my own shoes I can draw lines and circles in the air, on the floor or on large sheets of paper, balancing well and using whole arm and body. I can use tools for mark making with control. I can use pincers, tweezers and threading equipment with increasing control and confidence. I can copy shapes, letter and pictures. I can sit on a chair with a straight back and my feet on the floor. I can control finer tools when playing with dough. I can form recognisable letters, some of them correctly. I can use a tripod grasp. Form lower-case and some capital letters correctly					
	<b>NEXT LEVEL SPORTS: Games</b> <b>Know how to:</b> Know how to throw, catch, kick, pass and strike a ball Know how to throw a ball with aim, demonstrating increasing control Know how to show increasing control over an object in pushing, patting, throwing, catching or kicking it Know how to listen and follow two simple instructions In a game	<b>NEXT LEVEL SPORTS: Multiskills</b> <b>Know how to:</b> Know how to adjust speed or change direction to avoid obstacles when playing games with other children Know how to run in different directions Know how to jump up into the air and maintain balance Know how to follow adult-led instructions about moving safely and the reasons why Know how to move safely in a space  <b>Move energetically, such as running, jumping, dancing, hopping, skipping and climbing</b>	<b>NEXT LEVEL SPORTS: Dance</b> <b>Know how to:</b> Know how to move to music Know how to copy basic actions and movements Know how to investigate different ways of moving Know how to have an awareness of space Know how to safely perform teacher led warm ups Know how to create movement in response to music.	<b>NEXT LEVEL SPORTS: Gymnastics</b> <b>Know how to:</b> Know how to copy a simple sequence Know how to travel with confidence and skill around, under, over and through balancing and climbing equipment Know how to jump off an object and land on two feet, appropriately using hands, arms and body to stabilise and balance Know how to move fluently, in a variety of movements, with developing control and grace Know how to make changes to body shape, position and pace of movement such as slithering, shuffling, rolling, crawling, walking, running, jumping, skipping, sliding and hopping Know how to combine different movements to make a simple sequence <b>Demonstrate strength, balance and coordination when playing</b>	<b>NEXT LEVEL SPORTS: Cricket</b> <b>Know how to</b> Know how to improve an action such as throwing, catching or striking Know how to take turns and share resources when playing games Know that our heart beats faster during exercise Know how to listen and follow two simple instructions in a game	<b>NEXT LEVEL SPORTS: Athletics</b> <b>Know how to:</b> Know how to adjust speed or change direction to avoid obstacles when playing games with other children Know how to run in different directions <b>Negotiate space and obstacles safely, with consideration for themselves and others.</b>
	<b>CONTINUOUS PROVISION;</b> Cooperation games i.e. parachute games, Climbing – outdoor equipment., Help individual children to develop good personal hygiene, . Provide regular reminders about thorough handwashing and toileting. Crates play-climbing, Provide a range of wheeled resources for children to balance, sit or ride on, or pull and push. Two-wheeled balance bikes and, skateboards, wheelbarrows, prams and carts are all good options <b>From Development Matters 20'</b> Revise and refine the fundamental movement skills they have already acquired: - rolling - crawling - walking - jumping - running - hopping - skipping – climbing Progress towards a more fluent style of moving, with developing control and grace. Develop the overall body strength, co-ordination, balance and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport and swimming. Develop their small motor skills so that they can use a range of tools competently, safely and confidently. Suggested tools: pencils for drawing and writing, paintbrushes, scissors, knives, forks and spoons. Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor. Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group. Develop overall body-strength, balance, co-ordination and agility. Further develop and refine a range of ball skills including: throwing, catching, kicking, passing, batting, and aiming. Develop confidence, competence, precision and accuracy when engaging in activities that involve a ball.

<b>Maths</b> <i>"Without mathematics, there's nothing you can do. Everything around you is mathematics. Everything around you is numbers." – Shakuntala Devi</i>	Developing a <b>strong grounding in number</b> is essential so that all children develop the necessary <b>building blocks</b> to excel mathematically. Children should be able to <b>count confidently</b> , develop a deep understanding of the <b>numbers to 10</b> , the <b>relationships between</b> them and the patterns within those numbers. By providing frequent and varied opportunities to build and apply this understanding - such as using <b>manipulatives</b> , including small pebbles and tens frames for organising counting - children will develop a secure base of knowledge and vocabulary from which <b>mastery of mathematics</b> is built. In addition, it is important that the curriculum includes <b>rich opportunities for children to develop their spatial reasoning</b> skills across all areas of mathematics including shape, space and measures. It is important that children <b>develop positive attitudes and interests in mathematics</b> , look for <b>patterns and relationships</b> , spot <b>connections</b> , <b>'have a go'</b> , <b>talk to adults</b> and peers about what they notice and not additoinbe afraid to make mistakes.					
	1 week 3 days: Baseline/getting to know you  Match, sort and compare (2 weeks)  Talk about measure and patterns (2 weeks)  It's me 1,2,3 (1 week)	It's me 1,2,3 (1 week)  Circles and triangles  1,2,3,4,5 (2 weeks)  Shapes with 4 sides  Representing and comparing numbers 1,2,3,4,5  Composition of 1,2,3,4,5	Alive in 5 (2 weeks)  Mass and capacity  Growing 6 7 8 (2 weeks)	Length height time (2 weeks)  Building 9 and 10 (3 weeks)  Explore 3D shapes	To 20 and beyond (2 weeks)  How many now?  Manipulate, compose and decompose (2 weeks)  Sharing and grouping	Sharing and grouping Doubles  Visualise build and map (3 weeks)  Make connections  Teen numbers  Number bonds to 5 Consolidation

				Magical Me!	Fantastic Festivals!	Transport yourself in!	Come Outside!	Amazing Animals!	Splish, Splash, Splosh!
Understanding the world		Understanding the world involves guiding children to <b>make sense of their physical world and their community</b> . The frequency and range of children’s personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children’s vocabulary will support later reading comprehension.							
Science links (Know and understand some important processes and changes in the natural world around them including the seasons: covered every term)		SCIENCE LINKS							
		Explore the natural world around them, making observations  Draw pictures of animals  Know how to show care and concern for living things and the environment	Know how to describe what I see, hear and feel whilst outside. Know and understand some important processes and changes in the natural world around them, including changing states of matter	Know how to recognise some environments that are different to the one in which I live.  Know how to explore different materials and talk about what they are made from	Know how to talk about some of the things I have observed such as plants, animals, natural and found objects.  Know how to ask questions about aspects of my familiar world such as the place where I live or the natural world  Know how to talk about why things happen and how things work  Know how to explore the natural world around me (Ongoing)  Know what a plant needs to grow  Know and understand the key features of the life cycle of a plant  Draw pictures of plants  Know and start to develop an understanding of growth, decay and changes over time.  Know how to show care and concern for living things and the environment  Know and understand the key features of the life cycle of an animal	Know how to show care and concern for living things and the environment  Know and describe similarities and differences in relation to living things  know and describe the habitat of familiar animals  Know and understand the key features of the life cycle of an animal  Explore the natural world around them, making observations and drawing pictures of animals and plants.	Know how to talk about ways in which I can look after my environment  Know and name body parts (SCARF)  know how human actions impact on the environment.  Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class
