Relevant section:

2.9 Register of business interests:

The governing body should establish a register that lists for each member of the governing body, the headteacher and any other staff who influence financial decisions:

- Any business interests that they or any member of their immediate family have;
- Details of any other educational establishments that they govern;
- Any relationships between school staff and members of the governing body.

The governing body should ensure that the register is kept up to date with notification of changes and through an annual review of entries. The register should be made available for inspection by governors, staff and parents, and the authority and should be published, for example, on a publicly accessible website. More detailed notes of guidance on “Declaration of Interest/Register of Business Interests” are available from the Governor Services team
